

LOBO WING CHATTER

July 2016

The Chatter is back! I have missed you all and want to restart *The Chatter* with a bang (tiny at best) with this Fourth of July issue. During this particular time of the year and in our history, freedom has never felt so fragile. Thankfully, we are resilient and will overcome any obstacles that come our way.

Ronald Reagan reminds us with this quote. "The ultimate determinant in the struggle now going on for the world will not be bombs and rockets but a test of wills and ideas—a trial of spiritual resolve: the values we hold, the beliefs we cherish and the ideals to which we are dedicated."

In future issues:

- Update of AT-11 restoration progress
- Highlight of fundraising efforts
- Listing of current Lobo Wing officers
- Who are our members
- Welcome to new members
- Web site update coming soon (www.lobowing.org)
- Facebook presence at [cafloboing](https://www.facebook.com/cafloboing)
