

LOBO WING CHATTER

MAY 2015

MEMORIAL DAY

We remember and honor all the men and women from all the wars and conflicts who sacrificed so much for us; to all who served and to those who are presently serving we extend our deepest gratitude. Our Wounded Warriors—we will not forget you. The Lobo Wing World War II veterans are: Clay Keen, Harry Elegreet, John Reeves and Don Witschger. Be sure to thank a veteran.

Bowling Tournament Fund Raiser

Hope you've marked your calendar and saved the date: October 24, 2015, Starlight Lanes at Santa Ana Casino for the Lobo Wing Second Annual Bowling Tournament Fund Raiser. Last year was very successful and everyone who participated had a great time. So, this year we look forward to seeing you again and getting your team ready. We have Stan Higgins' team practicing in other tournaments and they are looking for competition! Let's

SURPRISE VISIT

If you leave the hangar door open you never know who just might drive right up and park in the hangar! Well, the weather was threatening and this cute little red car drove up to the apron of the hangar and was guided in with runway marshalling expertise. It was **HARRY ELEGREET**, a 30-year member of the Lobo Wing and a car aficionado. The car is a 1937 "Arrest-Me Red" (only Harry could get a color that name) Ford 5-window coupe body-off restoration with modifications to accommodate modern safety and convenience features. (Disc brakes, new General Motors ZZ4 performance 355 HP V-8 engine, automatic transmission, power brakes & steering, air conditioning etc.). The car was built by a professional builder in Pennsylvania. Harry says "it makes me very punctual!"

AT-11 PROGRESS ITEMS

- Work is nearly complete on the fabrication of the two fuel cell covers.
- Work continues on the installation of equipment on the nacelle firewalls. The wire printer is now operational and installation of aircraft wiring will begin shortly.
- Work continues on the center control console. Design of instrument and electrical panel is underway.
- The installation of the correct tail wheel assembly is underway.

OUR NEWEST LOBO WING MEMBER

WELCOME JERRY CLEAVER!

THIS BETTER BE GOOD!

Maybe they'll figure it out??? Stay tuned.....

See you at the hangar.
