

LOBO WING CHATTER

NOVEMBER 2016

ALBUQUERQUE, NM

CELEBRATE VETERANS DAY

Don't forget to thank a Veteran for his duty, commitment and sacrifices made in the defense of our freedoms. The Lobo Wing has only two World War II veterans left. Clay Keen served in the Burma-China-India Theatre and continued his service during the Cold War, Korean War and Vietnam. Harry Elegreet saw action in the Battle of the Aleutian Islands. Over 20+ Lobo Wing members served in the military. Currently, one of our members, Sabina England, is on active duty with the Air Force at Kirtland AFB and Jim Dugan serves with the Navy Reserve.

We are grateful and thankful to all for your service.

Do you have a family member, friend, or neighbor who served in the military? Invite this veteran to come out to the hangar on Saturday, November 12th so we can honor them and hear their stories and experiences.

AT-11 PROGRESS

An R-985 Pratt Whitney Engine was hung. This non-operational engine is used so that all of the fuel, electrical and control lines can be installed from the cockpit and fuel tanks. (Photos Tom Galica)

REDCAP OF THE BOWLING TOURNAMENT FUNDRAISER

We had 11 teams participate in the 3rd Annual Bowling Tournament on Saturday, October 29th at the Starlight Lanes in the Santa Ana Casino. We were honored to have the Rio Rancho High School Marine Jr ROTC present the colors for the National Anthem and Pledge of Allegiance. They were accompanied by Instructor Master Gunnery Sergeant (ret) Pete De La Rosa.

It was a wonderful afternoon filled with laughter and yes a few moans and groans. There was excitement over a bowler (Lee Haskell) bowling three 300 games! We had a 3-year old bowler (Logan Witschger) bowling with the assistance of a special ramp) with scores some adults wish they could have gotten! Everyone enjoyed the candy, door prizes, 50/50 raffles and silent auction.

We have two Tournament dates next year: April 8 and September 16, 2017
