5TH ANNUAL LOBO WING BOWLING TOURNAMENT

On Saturday, October 27th we had another successful Bowling Tournament Fundraiser at the Santa Ana Star Casino, Starlight Bowling Lanes. As the teams began to gather you could see and hear excitement mounting. A feel-good competition was in the air. The camaraderie abounded. After the warm up practice, they got the call; Let the games begin!!

We were busy handing out door prizes, candies for strikes, and 50/50 raffles. There was a good selection of silent auction items and a table with items from our PX. A BIG THANKS to Pat Patterson, (who bowled on the UH-HUH team) for donating a brand new red bowling ball, including the drilling etc.. for our silent auction table.

A special **THANK YOU** to **Ron Dikes**, who is associated with the Purple Heart Organization, for his continued support of the Lobo Wing Bowling Fundraiser guiding us and being our "go to person". We appreciate all you do for us.
